PAW PILLOWS

The Paw cushion collection features "houndstooth" fabric textures: a timeless and undisputed symbol of elegance, made with first-choice Danish fabric.

The various colour combinations differentiate the textures from the classic version, namely black and white. Available in three colour variations.

A simple shade can be chosen to add a touch of colour to the home, or a combination of pillows with different colours can be chosen to create a harmonious environment.

DESCRIPTION OF MATERIALS

Filling: goose feather

Fabric: 100% Trevira-CS
